APPLICATION INSTRUCTIONS

The attached employment application is the first and most important step when you apply for employment with the Pueblo of Laguna. All information you provide will be used to determine whether or not you meet the minimum qualifications for the position you are applying. **Before completing the application, please read the following instructions:**

Submit by Email. If you are completing this application electronically, the best way to ensure it is received by the Human Resources Office is to download the application and complete the form using the latest version of Adobe Reader or Adobe Acrobat. Submit your completed application by email as an attachment through your preferred email provider.

Fill in all spaces. Your application will be considered incomplete if there are any blank spaces on the application. You will not be notified if you leave blank spaces; instead, you will not be considered for the position.

Read the Minimum Qualifications required by the position. Your application must show that you meet the minimum qualifications of the position as identified in the job announcement. Your application will not be considered for the position if you fail to provide information which shows you do meet the qualifications. All open job announcements are available on the Pueblo's website - www.lagunapueblo-nsn.gov. If you do not have access to the internet, please contact the POL HR Office at 505-552-6654.

Resumes. Submitting your resume by attaching it to your application is encouraged since there is little room on the application to document work performed with previous employers. Your resume must contain all the information asked for in the "**Employment Experience**" portion of the application form. If your resume does not contain the required information and you do not provide the information on the application, the Human Resources Office will not be able to determine if you meet the minimum qualifications.

Additional employment experience. If you need to include more than four previous employers, please provide the required information in the same format as the "**Employment Experience**" section of the application.

Certificates, licenses, education documents. Required documentation identified in the job announcement must be provided to the Human Resources Office prior to the onset of the background investigation process.

Outside Employment. The Pueblo of Laguna reserves the right to prohibit employees from working, either part-time or full-time with other organizations if such employment interferes with the proper and effective performance of regular duties or results in a conflict of interest. It is the responsibility of an applicant, chosen for hire, to inform the Pueblo of outside employment during the interview process.

You must SIGN the application to be considered for the position for which you are applying. Your signature acknowledges all information you have provided is accurate. A digital signature or typed signature will suffice for electronic submissions (see below).
